

## PATH PAVERS . . .

- An enduring remembrance for loved ones.
- A fitting tribute to friends and colleagues.
- A perfect celebration for one of life's special milestones.

It is with sincere gratitude that we extend our thanks to each member of the Path Paver Society for their generosity and support.

Since its inception, **384** individuals, businesses and organizations have joined the Path Paver Society in support of Colonie Senior Service Centers. As a member of the Path Paver Society, your generosity has helped bridge the funding gap between the cost of providing programs and services to seniors and their families, and the revenues raised through government support, private foundations and voluntary participant contributions. Your support has a significant impact upon the lives of seniors and their families in our community.

For those of you who are not yet members of the Path Paver Society, I invite you to consider remembering a loved one, honoring a friend or colleague or celebrating one of life's special milestones. At the same time, you can help Colonie Senior Service Centers continue its mission of helping seniors remain active, healthy and independent.

Sincerely,

Colonie Senior Service Centers, Inc.
